México Trumpet Call MINISTRIES

JOY THAT TURNS INTO HOPE

Con fe vivimos con esperanza seguimos

Children are highly valued in Mexico, so Children's Day is an important occasion to love them and make them feel special. There is a genuine warmth when families gather to engage in fun activities and games in parks and schools to celebrate childhood.

Trumpet Call Ministries offered a lot of love, fun, and games at the Children's Hospital for our children battling kidney failure. As the super heros Powerpuff Girls, our team kicked off this year's biblical teaching theme with the superpowers of faith, hope, and love. Our mission is to empower these precious children with these powerful spiritual weapons to strengthen them on their healing journey.

We held our first fundraising event in March to directly support this missionary effort. We gathered many people from the state of Tlaxcala, who offered their support with tables, chairs, and tents, and even with food and drinks to sell in the Loma Bonita neighborhood. Thanks to the many neighbors who came to support us! For this reason, we are planning another fundraiser this summer. Our hope is that soon we will have enough donors to support the entire mission project.

If you would like to be part of this project to share the gospel and show love to these children suffering from kidney failure, please contact us.

Andrea Byrn, Director

GOD LOVES A CHEERFUL GIVER.

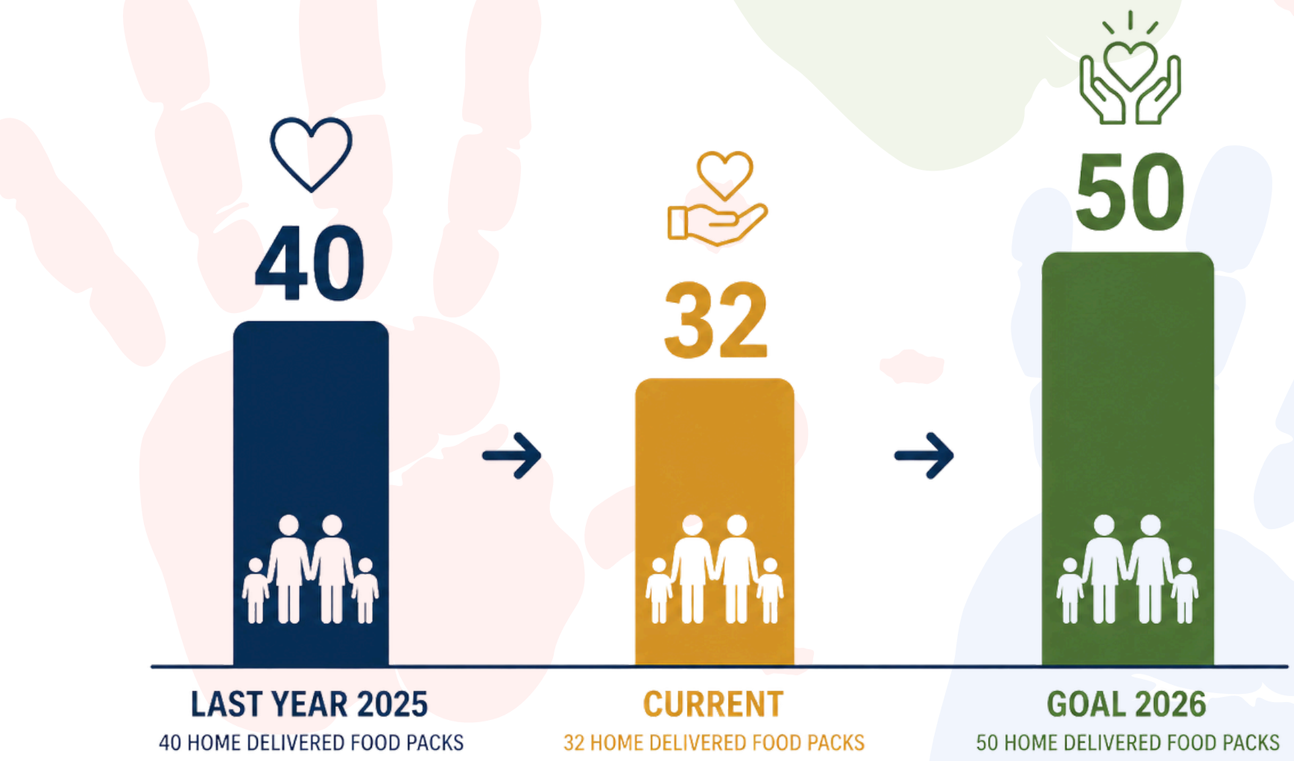

PROVERBS 11:25

In our ministry, we always have basic needs that we want to cover to improve the daily lives of vulnerable families. It is very sad to discover that as time goes by, we have more people on the waiting list who are waiting to be helped because they have various health problems, disabilities, and job instability.

We started 2026 with 30 families receiving their monthly food baskets at their homes in the different municipalities of Tlaxcala.
Now our primary goal is to support more than 50 families.

Everything will be possible with your help! Please, recommend the ministry to your friends, family, and acquaintances who are generous and kind-hearted and wish to join this noble cause.
Proverbs 11:25

It tells us that a generous person prospers. Although this prosperity goes beyond economic benefit, there is a beautiful reciprocity that occurs when we give with a genuine heart.

IMPORTANT DATES

Fundraiser For Missions

SERVE ONE ANOTHER IN LOVE

GALATIANS 5:13

In every packaging of the food that is done, your effort, time, and availability are of great importance to the ministry. Your work makes the difference in that you are always willing to serve the Lord.
Thank you for being part of the ministry family and for keeping an eye on our activities. Blessings always.

MISSION OF THE MINISTRY: DEMONSTRATE THE LOVE OF THE LORD AND GIVE HOPE
