5 YEARS TRANSFORMED WITH SERVICE TO TLAXCALA

It is a privilege to serve God here in Tlaxcala, Mexico, sharing His love and bringing hope to families in need throughout the state. When we allow God to use us to serve others, we discover a joy and sense of purpose that can only be found when we walk in His will. My hope is that everyone who has been part of this ministry has also experienced that same sense of fulfillment. It has been a true honor to work alongside each of you and to see how, together, we have been able to transform the lives of so many families.

As we celebrate our fifth anniversary, it is impossible not to look back with gratitude and thank God for all He has accomplished through Trumpet Call Ministries Mexico. In July 2021, we began by serving just 12 families through our monthly food distribution program called Home Visits. Five years later, we have supported more than 80 different families, distributing closeto 10 tons of food to communities across ten municipalities in the state of Tlaxcala.

Many people ask us how this transformation has been possible. Where have the resources come from to provide closeto 10 tons of food? It all began with the income generated through English classes. Over time, God touched the hearts of people both from my home country, the United States, and from my adopted country, Mexico, who chose to join us in this mission. It is beautiful to see how people from different places, united by the same Spirit, can come together to serve others and extend the love of Christ.

THIS IS A MINISTRY THAT DISTRIBUTES FOOD SUPPLIES TO FAMILIES IN VULNERABLE SITUATIONS.

EDITION: MAY - AUGUST 2026

During its early years, Trumpet Call Ministries Mexico partnered with various churches to bring food, clothing, and support to vulnerable communities. This year, God opened a new door for our ministry by giving us the opportunity to serve the families of children receiving dialysis treatment at the Children's Hospital of Tlaxcala. It is a great privilege to have been invited by the hospital's administration to become part of this important work.

Thanks to two fundraising campaigns and the generous support of our donors, we are now able to visit these children every month, offering faith-based activities and providing personal hygiene items, clothing specially adapted for their treatments, footwear, and other forms of support that help make their time in the hospital a little easier. And this is only the beginning, we will continue working to provide an even greater support to these precious families.

Before ascending into heaven, our Lord Jesus Christ gave us a command that continues to guide every step of this ministry: ***"A new commandment I give you: Love one another. Just as I have loved you, you also are to love one another. By this everyone will know that you are my disciples, if you love one another."— John 13:34–35***

In a world marked by indifference, injustice, and hopelessness, Trumpet Call Ministries Mexico desires to continue being an instrument of God's love—bringing hope, compassion, and practical assistance to those who need it most.

If God places it on your heart to become part of this ministry, we invite you to join us. With your support, we can reach more than 100 families in 2027 and continue sharing the love of Christ with those who need it most.

With Gratitude and in Service to God

Andrea Byrn, Director

DONORS

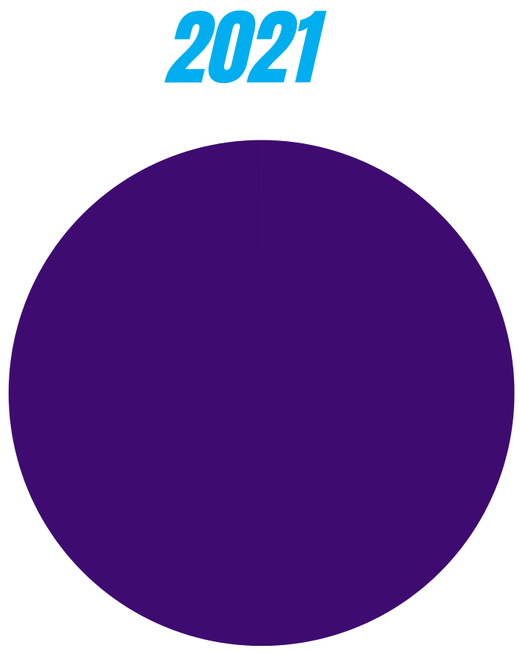

Together, we are going farther

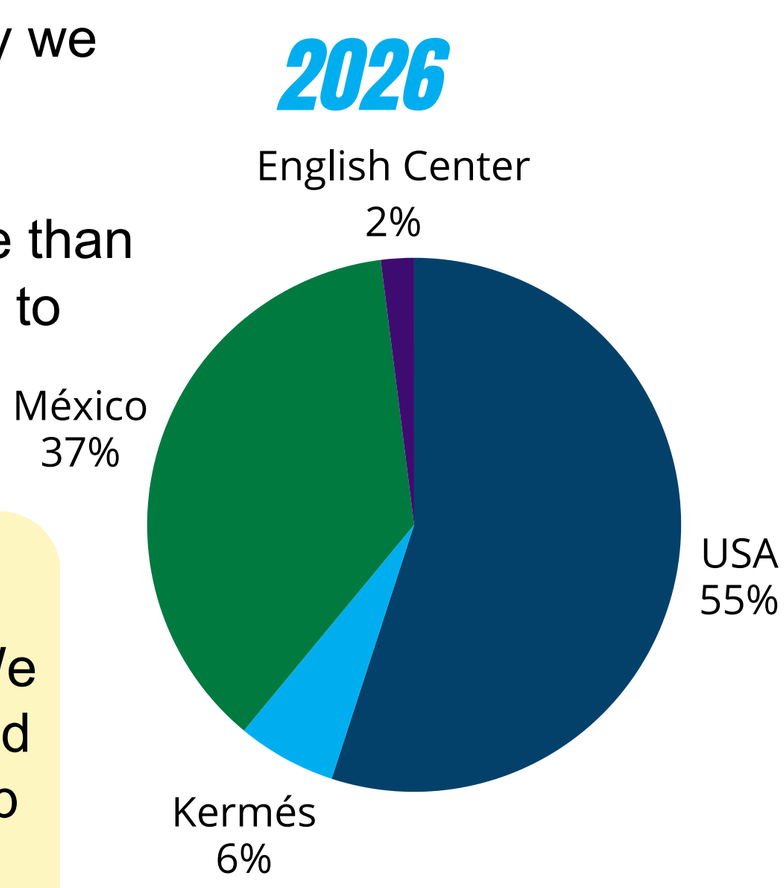

When this project began in Loma Bonita, Tlaxcala, the desire was simply to help 12 families in our community. Today, thanks to the generosity and compassionate hearts of our donors, we have grown and are now brought hope to more than 80 families across more than 10 communities throughout the state of Tlaxcala.

This growth would not have been possible without every person who has chosen to believe in this cause and contribute to making it a reality. Every donation has become a food basket, every contribution has helped a family in need, and every effort has created an opportunity to bring hope to those who need it most.

We have come a long way since that small beginning, but we know there are still many families and communities in need of support. That is why we want to continue growing.

To all of our donors, thank you for being part of this journey. Now more than ever, we need more people with compassionate hearts who are willing to join this meaningful cause. Together, we can go farther, reach more families, and bring hope to more communities throughout our state.

A SIGNIFICANT TRANSFORMATION

With great pride, we can give a satisfactory result and great changes. We have managed to expand the help to 10 municipalities, communities, and neighborhoods in the state of Tlaxcala. We have also formalized a group of dedicated donors from the United States, Mexico, fundraising events, and the English Center. With all this help we receive from the donors and from more than 40 volunteers, we managed to support more than 80 families in the Home Visit program, distributing 10 tons of food during the 5 years. Now God has given us a new assignment to support 20 children undergoing dialysis treatment at the Children's Hospital of Tlaxcala with monthly faith-based events and by bringing various products that meet some of their needs. There is no doubt that God is in control of everything!

God sincerely cares for the poor; so much so that He promises special blessings to those who join Him in caring for them.

Whoever gives to the poor will lack nothing. Prov. 28:27

Thank you from the bottom of our hearts to each one of you who have trusted and continue to trust in this project. There is no doubt that your great generosity will allow us to continue supporting more vulnerable families. With the help of God and all of you, this will be possible. May God always bless you for your generosity.

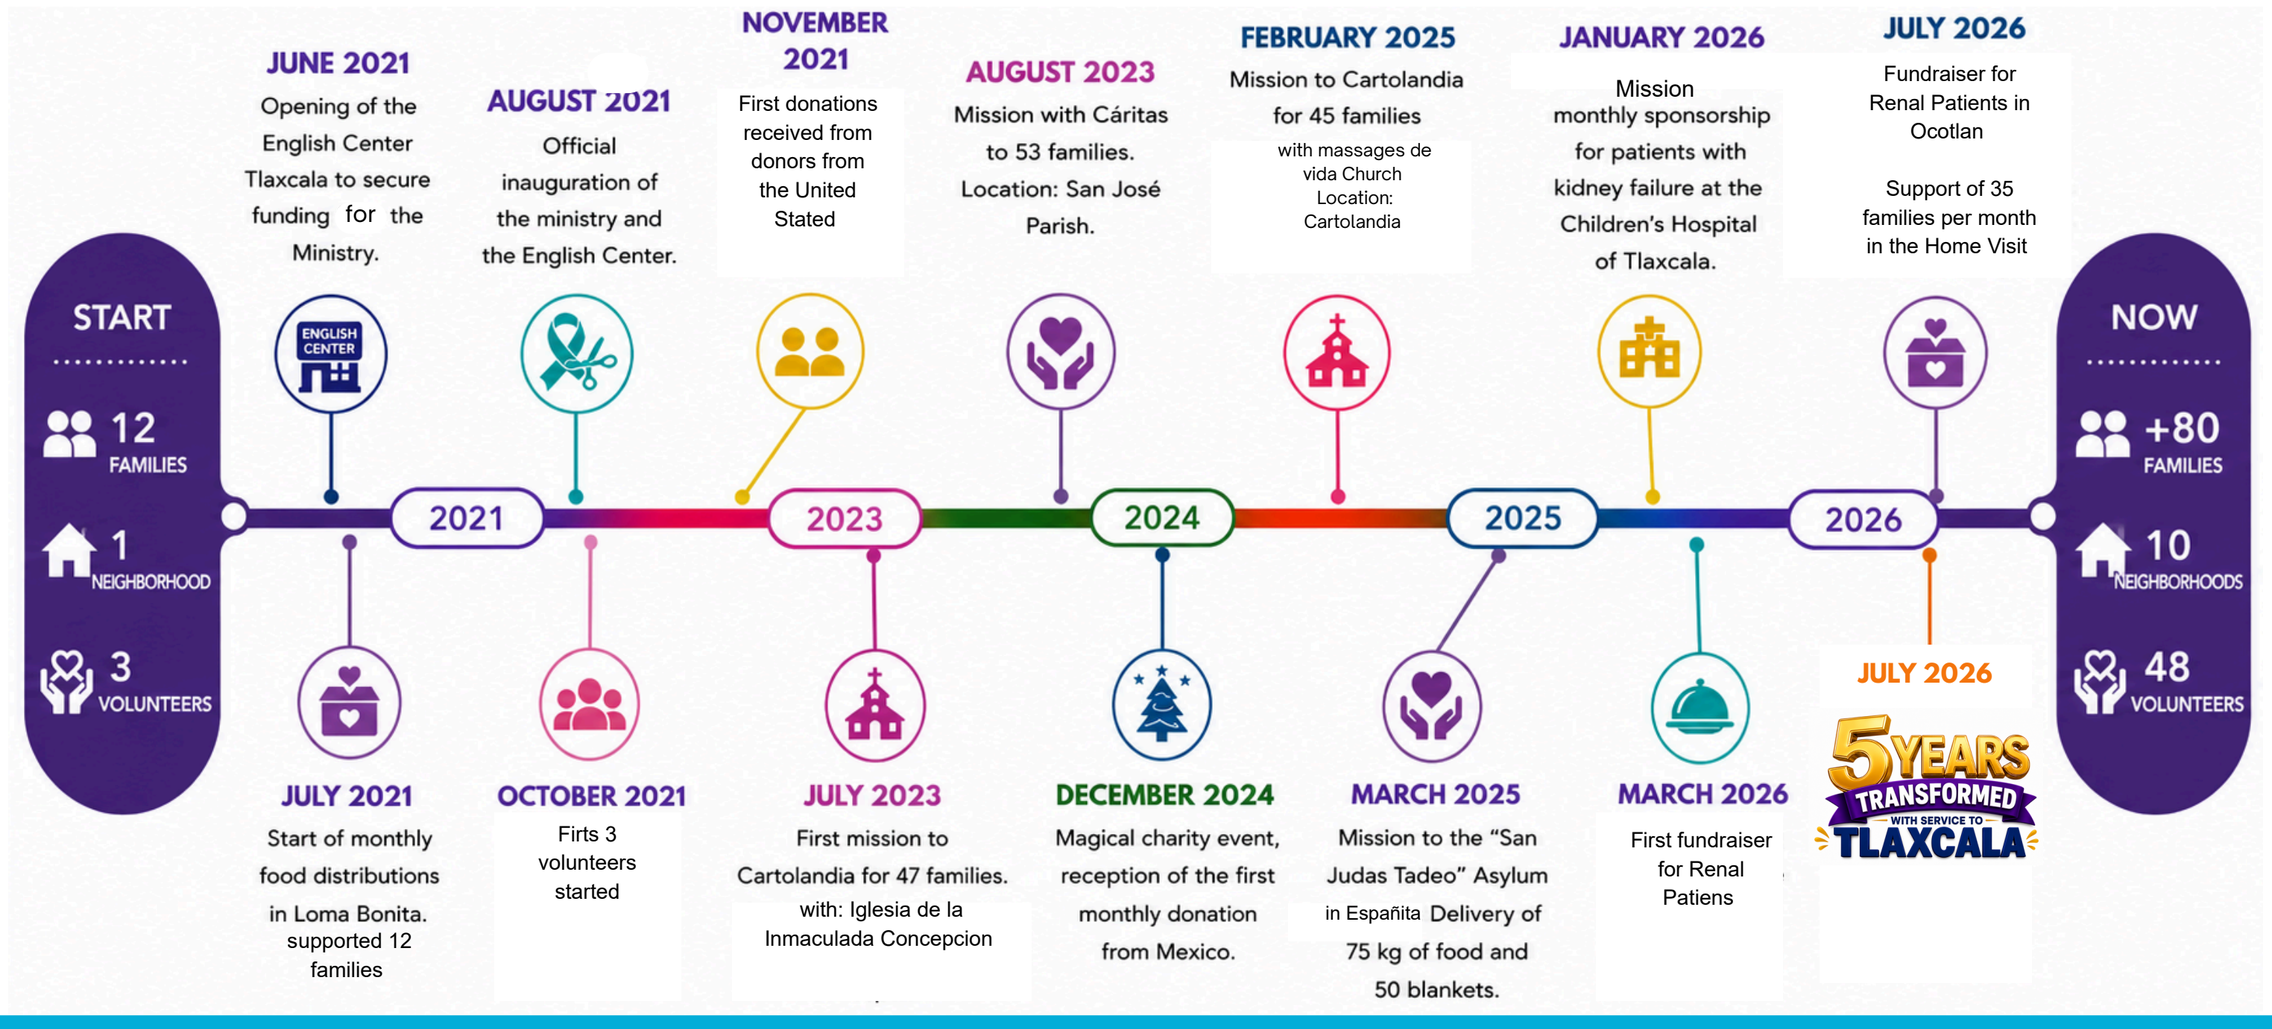

THANK YOU TO OUR VOLUNTEERS

Our most sincere recognition and gratitude to all the people who, with a heart willing to serve, have decided to join this project. Thank you for your dedication, your time, and your tireless work in the serve of others. Each of your actions has contributed to strengthening teamwork, improving our communication, and, above all, bringing us together as a true family. In 2021, there was only a small group of young women who volunteered with the packing and distribution of food. But as the ministry grew, we currently have the support of more than 40 volunteers. Thanks to God, we can now share that we have 4 volunteer delivery people whose mission is to bring food to the homes of vulnerable families. We also have 4 volunteer groups, each made up of 8 people. But the most touching part is that the beneficiaries who receive their food baskets help us pack their own food. It is a joy to welcome them all every month to carry out this beautiful work. The willingness, time, and enthusiasm are fundamental to continue building a supportive community.

Thank you very much for being part of our family of volunteers, and we always ask God to continue blessing us with more people like you.

THE HOME VISIT PROGRAM: OUR CORE PROGRAM

There are many people in difficult situations in Tlaxcala. However, Trumpet Call Ministries Mexico seeks those in critical situations, or those who need just a little boost in order to overcome their circumstances. Those we particularly seek are:

·People living with a chronic or terminal illness
·Those with disabilities
·Single parents struggling to provide proper care for their children
·Seniors who are alone, abandoned by their children, or have limited financial support
·The homeless or those facing conditions of extreme vulnerability
·Families in a temporary crisis

Joseph, in the book of Genesis in the Holy Bible, teaches us that nothing should be free in order to fully appreciate the help one receives. So, our beneficiaries agree to pay only 20% of the value of their food supplies, and those that are able, agree to volunteer to pack and prepare the monthly food supplies. The ministry seeks to build a relationship with each recipient built on trust, faith, and love. Each month our beneficiaries receive a biblical reflection with the purpose of drawing them closer to Jesus Christ. The ministry also offers them monthly prayer support to help them through their situations.

WHOM DID GOD ENTRUST TO LEAD THIS NOBLE MISSION?

Lic. Andrea Byrn, Director
Trumpet Call Ministries Mexico

Andrea Byrn earned her degree in International Business. After completing her studies, she lived and traveled in several countries around the world, mainly in Europe and Latin America. A firm believer in Jesus Christ as her Lord and Savior, she studied the Holy Bible for many years and served in the church in various ways. Her parents taught her the importance of serving those who are less fortunate, so this is a fundamental value that defines her. Originally from Texas, United States, Tlaxcala became her adopted home in 2017. After a short period of adjusting to Mexican culture and learning the language, she received a calling from the Lord to start a new ministry to feed those in need and fund it by teaching English classes. She is the founder and director of Trumpet Call Ministries Mexico, serving vulnerable families living in the state of Tlaxcala, Mexico.
